#### **Course Description and Target Audience**

The presentation focuses on principles of report writing as well as the common complaints by readers. The objective is to introduce a strategy for integrative report writing that is brief, efficient, comprehensive, and in keeping with surveys regarding report writing preferences by readers. There are no known risks to this presentation.

The target audience is mental health providers (advanced doctoral level psychology trainees, psychologists in practice, master's level clinicians etc).

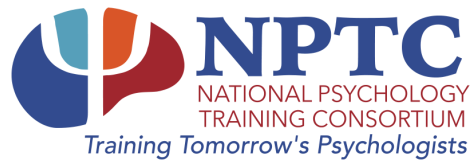

#### **Learning Objectives**

- Explore and contrast academic training for report writing with professional objectives and criteria for effective report writing
- Summarize important ethical and professional considerations for report writing
- Present a strategy for an integrative report style
- Summarize a checklist for an effective general report and utilize a case example

#### **Video Homestudy Format**

CE's for this homestudy training will be earned through completing the following tasks:

- Complete the pre-test questionnaire (10 questions).
- Watch the presentation video and review all provided documents in their entirety.
- Pass the post-test questionnaire with at least 80% correct (8 of 10 questions correct).
- Fill out a program evaluation form.
