

Video Homestudy Training

SPONSORED BY THE NATIONAL PSYCHOLOGY TRAINING CONSORTIUM (NPTC)

Business & Psychology: Moving beyond the 50 minute hour (6 CEs)

Materials composed and provided by CJ Davis, Psy.D.

Instructional Level

Advanced

Course Description and Target Audience

This presentation will prepare participants in understanding how to apply clinician acumen to the changing business landscape in behavioral health. It will focus on basic and fundamental business skills and encourage participants to prepare themselves for positions in private practice, management, executive leadership. A particular emphasis will be placed on health care reform and the future of behavioral health from both a practitioner and business perspective. Potential risks are discomfort at the state of affairs in national healthcare delivery.

The target audience is mental health providers (advanced doctoral level psychology trainees, psychologists in practice, master's level clinicians etc).

Learning Objectives

- Describe how data driven decision-making can inform both financial and clinical strategies
- Demonstrate the understanding of a basic financial statement
- Understand the basics of Health Care Reform
- Apply basic clinical and psychological knowledge to common business problems
- List some of the essential elements of running various behavioral health businesses

Video Homestudy Format

CE's for this homestudy training will be earned through completing the following tasks:

- Complete the pre-test questionnaire (10 questions).
- Watch the presentation video and review all provided documents in their entirety.
- Pass the post-test questionnaire with at least 80% correct (8 of 10 questions correct).
- Fill out a program evaluation form.
