

Progress Monitoring of Treatment Outcomes Homestudy Training

SPONSORED BY THE NATIONAL PSYCHOLOGY TRAINING CONSORTIUM (NPTC)

Progress Monitoring of Treatment Outcomes (3 CEs)

Materials composed and provided by Thomas Gross, Ph.D.

Instructional Level

Advanced

Course Description and Target Audience

This presentation is designed to familiarize participants with routine progress monitoring. The content includes methods to meaningfully assess therapy progress for clients and clinicians. Identifying and practicing how routine outcomes measures may be used in practice is emphasized. There are no known potential risks to attending this course.

The target audience is mental health providers (advanced doctoral level psychology trainees, psychologists in practice, master's level clinicians etc).

Learning Objectives

- Define and identify methods of Progress Monitoring.
- Identify assumptions of empirically assessing therapeutic progress.
- Identify benefits of outcome measurements for clients/patients.
- Articulate how treatment orientation and design could incorporate progress monitoring.
- Demonstrate selection and use of progress monitoring tools for various client problems.

Video Homestudy Format

CE's for this homestudy training will be earned through completing the following tasks:

- Complete the pre-test questionnaire (10 questions).
- Watch the presentation video and review all provided documents in their entirety.
- Pass the post-test questionnaire with at least 80% correct (8 of 10 questions correct).
- Fill out a program evaluation form.

Presenter Information:

Thomas Gross, Ph.D., received his Doctor of Philosophy in 2013 at Oklahoma State University. He has provided support to schools and community health agencies to use progress monitoring systems for social/emotional and academic outcomes. He has published journal articles examining psychometrics of progress monitoring tools and has expertise in invariance testing of outcome assessments.

Registration Information:

Progress Monitoring of Treatment Outcomes (3 CEs)

\$55.00 - regular price

\$41.25 - NPTC affiliates

FREE - NPTC supervisors

This cost includes video link, materials, tests, and evaluation required to obtain the CE's. The CE certificate will be emailed to participants upon successful completion of the training (80% on exam).

National Psychology Training Consortium (NPTC) is approved by the American Psychological Association to sponsor continuing education for psychologists. NPTC maintains responsibility for this program and its content.
