Site Feedback Purpose / How Data will be Used

The purpose of this form is to collect feedback on your experience working with the consortium. We want to know what's going well, as well as your suggestions on how things could be better. You will complete this form twice per year and your feedback will be presented to the Board of Directors for review.

If you have any questions or concerns at any point during this year and would like to meet with someone, you will also have the opportunity to request an in-person meeting.

Confidentiality Statement

Although you are providing your name to the consortium, this is done for tracking purposes only. All names will be removed from the report shared with the Board.
