Supervisor Information

Supervisor Feedback Purpose / How Data will be Used

The purpose of this form is to collect feedback on your experience with your supervisors. We want to know what's going well, as well as your suggestions on how things could be better. Your feedback will be combined with the feedback from the other interns in your region. This information will be reviewed during a future training director's meeting. When we review the feedback in the meeting I compile all the feedback for all supervisors together in one report to give to the directors so they don't know who said what. All supervisors will learn from the feedback of the full intern group.

How to Complete This Form

- You will complete this form at the end of each rotation.
- Each time it's requested, you will complete this form for your assigned Principal Supervisor, and your Group Supervisor.

If there is any reason you need a member of the NPTC Administrative Office staff to assist you with any supervisory issues, or if you have any concerns with the timing of providing this feedback, please contact Toni Ripper (tripper@psychologyinterns.org) so that we can coordinate alternative options and/or address any concerns that you have.

Please Note: In order to help me keep these forms anonymous to the directors, please refrain from saying your supervisor's name in the comment section. Instead please refer to him/her in general terms ("my supervisor"). I do edit those things out on the director's report if you forget, but doing that does help quite a bit.

Confidentiality Statement

Although you are providing your name to the consortium, intern names will be removed from the report reviewed during the training director meeting, and feedback will be anonymous. All feedback from the region will be combined into a single report to protect intern confidentiality as much as possible.

Please note that a member of the Administrative Office may follow-up on any statements provided in this report to ensure that you

feel appropriately supported this year.	·	 Ŷ	·	·

How to Complete This Form

- You will complete this form at the mid-year point and end-of-year.
- Each time you will complete this form for all of your assigned Principal Supervisors (i.e. Licensed Psychologists meeting with you regularly for individual supervision).
 - The number of times you need to complete this survey will depend on how many Principal Supervisors you meet with on a regular basis for individual supervision. (i.e. two Principal Supervisors every week = completing the form twice)
- If you have a regular Group Supervisor, you are welcome to also provide feedback for them, but it is optional.

If there is any reason you need a member of the NPTC Administrative Office staff to assist you with any supervisory issues, or if you have any concerns with the timing of providing this feedback, please contact Toni Ripper (tripper@psychologyinterns.org) so that we can coordinate alternative options and/or address any concerns that you have.
