

NPTC Virtual Open House Expectations

REGISTRATION

You can register [here](#) by selecting the meeting(s) you would like to attend. Zoom information will be sent via email. Resources and recordings of the meetings will be emailed after open house ends.

WHO WILL BE THERE?

Each meeting will include NPTC administrative staff, regional training directors, and site training directors, and more opportunities to meet/talk with supervisors and current/past interns may be available.

HOW LONG ARE THE MEETINGS?

Each meeting will be about an hour.

WHAT IF I CAN'T ATTEND LIVE?

Even if you can't attend live, please register and we will send out recordings of the meetings after the week concludes.

WHAT WILL BE DISCUSSED?

The meetings may include a general overview of NPTC and our regions: [Central](#), [Cascades](#), and [Great Lakes](#). The region meetings may include site introductions and summaries of training opportunities. You can see examples of Q&A from the 2021 open house [here](#).

WILL THERE BE Q&A?

There may be an opportunity for Q&A at each meeting. You may pre-submit questions when [registering](#) or email them to applicant@psychology.interns.org.

WHAT TYPES OF QUESTIONS CAN I ASK?

All questions are welcomed and encouraged. Depending on time, site specific questions may be directed to the site to follow up outside of the meeting, but we will do our best to answer all questions.

CAN I FOLLOW UP WITH SPECIFIC PEOPLE?

Training directors and other presenters may provide their contact information for interested participants to follow-up with them directly.

WILL ATTENDING GUARANTEE ME AN INTERVIEW?

Attendance is not factored into the decision to grant interviews or offer positions to applicants.
